

Pure One™ Environmental

Will Clean™ green

Heavy Duty Degreaser

5 U.S. Gallons

Will Clean™ green Heavy Duty Degreaser

DIRECTIONS:

SHAKE WELL BEFORE USE. On heavy grease, oil stains, dirt and grim build-up spray **Will Clean green Heavy Duty Degreaser** on soiled area and gently brush, rub, or wipe into spot. Let stand for a few minutes and simply wash the area clean with water.

Will Clean green Heavy Duty Degreaser is safe to use on automotive areas, motorcycles, engines, bicycles, lawn mowers, garden, farm & recreational equipment, shop machinery, tools, garage floors, driveways, and ovens & stove tops. It works by loosening and lifting the soil from the stained area. Simply spray, let stand, and rinse with clear water. If you have some stubborn greasy build-up, you may need to brush the area, or repeat the process.

All **Pure One Environmental green** products are 100 % environmentally safe and are design to replace many types of toxic chemical cleaners in the market today. It is a water Based formula that is green compliant, non-toxic, biodegradable, and safe to the environment.

All **Pure One Environmental green** products comply with OSHA guidelines for non-hazardous, non-toxic chemicals.

NON-TOXIC + NON-HAZARDOUS
NON-FLAMMABLE + BIODEGRADABLE

Pure One Environmental green products contain no known allergens.
